Secret Chest

4-level conjuration

Casting Time: 1 action
Range: Touch
Duration: until dispelled

You hide a chest and all its contents on the Ethereal Plane. You must touch the chest and the miniature replica that serve as Material components for the spell. The chest can contain up to 12 cubic feet of nonliving material (3 feet by 2 feet by 2 feet). While the chest remains on the Ethereal Plane, you can take a Magic action and touch the replica to recall the chest. It appears in an unoccupied space on the ground within 5 feet of you. You can send the chest back to the Ethereal Plane by taking a Magic action to...
